What is a time capsule? A window into the past!
Time capsules can be as big as the Egyptian pyramids or as small as a Victorian button.

Imagine yourself in 5, 10, 20 years.
What would you want to know about your life now?
A time capsule can be a window in your life for your future self.

Come to the Laurel Museum to learn about time capsules and create your own!

What can you bring to make your time capsule?

Newspapers of your favorite events
Information on your school
A letter to your FUTURE self
Pictures of your life
Your favorite toy/game
Anything else that is important to you!
